MPCST Sponsored
One Day 3rd National Seminar on

**Herbal Drug Scene:
New Perspectives on**

Nano Herbal Medicine

Dated: 20th March 2016

Organized By

**Bhagyoday Tirth Pharmacy College
Sagar (M.P.)**

About the Institute

To realize the ever increasing demand of technical and skilled personnel in emerging Pharmaceutical sector, the Trust founded **Bhagyoday Tirth Pharmacy College** in year 2007-08. We offer four year integrated technical course leading to award of B.Pharm degree. The instituted is duly approved by **All India Council of Technical Education, Pharmacy Council of India, New Delhi** and affiliated to **Rajiv Gandhi Technical University, Bhopal**. We also offer two year **Master course (M. Pharm)** in pharmaceuticals.

About Bhagyoday Tirth Charitable Trust

Bhagyoday Tirth Charitable Trust was established in 1993, under the virtues direction and blessing of **Param Pujya Acharya Shri 108 Vidyasagar Ji Maharaj**. Since the inception, the Trust is nurtured by the sacred heart of Acharya Shri to fulfill the objective of serving the diseased mankind. The **Bhagyoday Tirth Charitable Hospital** is providing state of the art Medical facilities to all section of the Society without prejudice to caste, colour, sex and statues. Trust is acknowledged for its value driven services to economically and socially backward area of the State, the Bundelkhand region.

About Seminar

India has a vast knowledge base of Ayurveda whose potential is only being realized in the recent years. However, the drug delivery system used for administering the herbal medicine to the patient is traditional and out-of-date, resulting in reduced efficacy of the drug. If the novel drug delivery technology is applied in herbal medicine, it may help in increasing the efficacy and reducing the side effects of various herbal compounds and herbs. This seminar aims to discuss various drug delivery technologies, which can be used for herbal actives. The seminar will also have a session of poster presentation with a view to provide an opportunity to budding scientist for showcasing their work, to interacting with the experts and getting guidance from them in their education and research pursuits.

Call for Poster and oral presentation

All interested individuals are hereby requested to submit abstract of poster or paper (250-300 words) to seminar.btpc@gmail.com, btpcinfo@gmail.com on or before 15/03/2016. Abstract should be submitted in MS word format typed in Times New Roman (12 font Size) with capital and bold face Title and Headings.
