The university has two campus main campuses at Varanasi and Rajiv Gandhi South campus at Barkachha, Mirzapur with 6 institutes, 14 Faculties, 132 departments, 4 advanced centers and 4 inter disciplinary schools. Pt. Madan Mohan Malviya ji himself was believer of traditional system of medicine and in the year 1922 , Ayurveda was established as a unit in faculty of oriental learning & theology. In 1927, AMS Degree course was started under faculty of medicine and surgery (Ayurveda). In 1963, a post graduate institute of Indian medicine was established. In 1971 college of medical sciences (which was established in 1960) was merged with post graduate institutes of Indian medicines and Institute of Medical Sciences came into existence with joint faculty. In 1978, the joint faculty was divided into faculty of Medicine and faculty of Indian medicines, which was later renamed as faculty of Ayurveda in the year 1985. The Department of Samhita& Sanskrit and Siddhant Darshana (Formerly Basic Principle) have glorious past history. The Department of Ayurveda was founded with appointment of Charkacharya Dharama Das ji by Pt.M.M. Malaviya ji since very beginning. Subsequently Padam Bhushan Pt.
