

ABOUT US:
Vishwa Ayurved Parishad came into existence in 1997 at Varanasi by eminent scholars and social workers to re-establish the glory of Ayurveda in the present era and to facilitate the acceptance and recognition for Ayurveda as a complete health system adoptable in all countries across the Globe.
VAP is a collective platform of such co-workers, where all its members are eager to contribute their knowledge and activity for the betterment of ayurveda. Actually VAP is devoted for an enriched healthy nation and world.
Main objective of the VAP is to create appropriate platforms for growth of Ayurveda and develop co-ordination among different individuals and institutes who are working in the field of Ayurveda for the betterment of this unique health care system.
Main activities of VAP include:

- Standardization of the traditional knowledge of healing on scientific parameters.
- Publishing Journals and other related literature.
- Organizing Seminars and Workshops.
- Motivating Union and State Governments to Adopt favourable view for overall development of Ayurveda.
- Provides Platform to all stake holders of Ayurveda for Education & Research, professional skill development and policy making for the over all development of Ayurveda.

Keeping above tasks in view one more such step is in the form of National conference & seminar on "Recent Advances And Skill Development In Ayurveda" that is being organized by VAP on 27-28 Feb 2016 at Dayanand Ayurvedic College, Jalandhar (Punjab).

ABOUT DAYANAND AYURVEDIC COLLEGE JALANDAR

National Seminar on Recent Advances & Skill Development in Ayurveda (27 Feb. 2016)
NEED OF THE SEMINAR

Even after a multiple research strategies, enhancement of fund in different sectors, increased infrastructure and increasing number of colleges/institutions in country the popularity and acceptability of Ayurveda can not be said satisfactory. Number of reasons are matter of debate. A group of experts feel that skill development is one sector which is lacking in Ayurveda. If it improves it will certainly change the scenario. So keeping this view in mind Vishwa Ayurveda Parishad had organized one seminar in 2015 on the topic 'Skill development for AYUSH professionals- Issues and Challenges' in varanasi. This seminar is a sequel to the previous seminar. Theme of this seminar will highlight skill development in different clinical department of Ayurveda at OPD level. If we do some thing concrete in this area, it will certainly change the atmosphere to popularize ayurveda. This seminar will give platform to teachers, students, practitioners and stake holders to discuss, plan and make a policy for the development of Ayurveda.

Aims & Objectives:

1. Skill development at OPD levels in different clinical subject.
2. Skill development at indoor level
3. Skill development in para clinical subjects of Ayurveda.
4. Teaching methodology & skill development
5. Research protocol in Ayurveda.
6. Development of obsolete traditions of Ayurveda.
