## National Seminar on Shalyatantra

### About Institute:

We, the members of Organizing Committee of "SHALYARNAVAHA -2018" welcome you to cultural & educational hub city Pune for National seminar on Shalya on 8<sup>th</sup> April 2018. Sumatibhai Shah Ayurveda Mahavidyalaya, Malwadi Hadapsar, Pune is an esteemed institute; excellent in academics and attached with well running Sane Guruji Hospital. This institute has having goal to reach and provide health care to the low socio-economical class of society. The approach of treatment is integrated and affordable to low economical class. The Institute has set standards for education in UG, PG, Diploma & Fellowship Courses and is affiliated with the Maharashtra University of Health Sciences, Nashik. Our Sane Guruji Arogya Kendra is well equipped with 225 beds multi-specialty Hospital.

### About Department :

Department of Shalyatantra endeavors to achieve goal of becoming a benchmark for quality surgical treatments, surgical education and opinion provider. The department has well equipped operation theaters, well trained paramedical staff and standard instruments. Approximately seven hundred major and almost same number of minor procedures are carried out per year.

### About Seminar: :

We are taking this golden opportunity to organize one day seminar and workshop in Shalyatantra at our institute named "SHALYARNAVAHA -2018" Aim of this seminar and work shop is to provide hands on training and well organized discussion on current issues in practice faced by practitioners. This seminar will definitely add knowledge & practical approach to various issues.

### Seminar Highlights :

- Morning workshop session will provide lecture and hands on training for airway management, CPR, basic and advanced Anesthesia machine demonstration by Dr.Milind Joshi and Dr.Tirth Patil
- Researches in Ayurveda surgery has a limited scope. There are certain diseases in which we can use animal models to evaluate efficacy of Ayurveda medicine this topic will be covered By Dr. Yogesh Murkunde from SRMC & RI, Chennai.
- Medico legal aspect in surgical practice by Dr.Arun Mishra.
- Anorectal diseases are considered taboo in Indian society and patients are reluctant for examination. Tricks for impressive Proctology Clinic will be discussed By Dr. Pravin Gore.
- Trauma Management - The Golden Hour concept will be taught by Dr. Saket Tilekar.
- Basic principles of surgery from ancient science are applicable in today's era this topic will be covered by Dr.Govind Khatri.
