# SUMMER SCHOOL ON

## BOTANICAL PRODUCTS – CATEGORIES, QUALITY, REGULATIONS AND MARKETING

**July 09<sup>th</sup> to July 21<sup>st</sup>, 2018**

**Organized by**

University of Trans-disciplinary Health Sciences and Technology

(A Karnataka State Private University legislated under the Karnataka Act No. 35 of 2013)

**Venue**

**TDU Campus**

74/2, Jarakabande Kaval, Attur Post, Yelahanka, Bangalore - 560064

## About TDU

University of Trans-disciplinary Health Sciences & Technology (TDU) recognized since 2002 by GOI as a Centre of Excellence in Medicinal Plants and Traditional Knowledge.

The campus provides a visual introduction to more than 1500 live species of medicinal plants from various bio-geographical regions of India. TDU has inherited legacy of 24 years of nation building achievements through FRLHT (Foundation for Revitalisation of Local Health Traditions) in different traditional domains including emerging field Ayurveda biology. Now, committed as a University has a vision to promote Trans-disciplinary perspectives in domains of Ayurveda, life sciences and allied disciplines. For details visit web-site <http://tdu.edu.in>

## Preamble

In the last few decades there is growing global acceptance and demand for botanical based products. They are used as food supplements, nutraceuticals, traditional medicine, phyto- pharmaceuticals for flavor and fragrances and as cosmeceuticals

Therefore, it becomes essential to equip the stakeholders in Quality Control, Quality Assurance and Regulatory mandates. It is also necessary to upgrade their knowledge on supply chain, product development and marketing. To achieve this, TDU has designed a unique and intensive 2 weeks Summer School with a resource team comprising of experts having wide experience in the sector.

## Goal

To enhance the knowledge and therefore capacity of herbal drug industry managers regarding quality control, quality assurance, regulatory requirements for natural products in India and overseas including marketing aspects
