About Alva's Ayurvedha Medical College & Hospital

Alva's Ayurveda Medical College. A Unit of Alva's Education Foundation ®, Moodubidire affiliated to Rajiv Gandhi University of Health Sciences, Karnataka, Bangalore, was established in the year 1996 by the Visionary, Dr. M. Mohan Alva; who himself is an Ayurvedic Physician. In 2006 the college expanded with a Post Graduate Unit offering MD & MS courses in Ayurveda. At present the college is functioning with Post Graduation in 14 specialty branches of Ayurveda. In 2014 the college ascended another milestone with the commencement of Doctoral studies, guiding scholars pursuing PhD studies in Ayurveda under four specialties. The institution has been conducting and organizing programs in various fields of Ayurveda and Research. We are happy to inform that, the Research and Development unit of the institution which started in 2006 is expanding into four specialty branches and is named as **Alva's Traditional Medicine Archive & Research Centre (ATMA Research Centre)**. The Inauguration of ATMA Research Centre will be held on **Thursday the 11th July 2019**. On this occasion a one day **Seminar on Advances in Research and Development** will be held.

Renowned speakers in the field of research will be presenting their scientific views on different dimensions of ancient and modern research in Ayurveda. The details of the Resource Persons in the scientific session, mode of registration and contact persons are as follows
