EDUCATION, VIJAYAWADA

ABOUT THE COLLEGE

KVSR Siddhartha College of Pharmaceutical Sciences (KVSR SCOPS) was incepted during the academic year 1993-94 and it is the first private pharmacy college started in the state of Andhra Pradesh. The college is sponsored by Siddhartha Academy of General & Technical Education (SAGTE), Vijayawada, Which is a visionary society running several institutions. The wide range of institutions run by SAGTE includes Medical, Dental, Pharmacy, Nursing, Engineering, Education, Management, Law and Arts. The college is affiliated to Krishna University, Machilipatnam and approved by AICTE and PCI, New Delhi providing the pharmacy education and training in B. Pharm, M. Pharm, Pharm. D and Pharm. D (PB) courses. The College campus is located in the heart of Vijayawada city with all advanced amenities. KVSR SCOPS is committed to the education of pharmacists of the highest ethical and professional standards. The college has excellent academic atmosphere, culture and discipline with the best infrastructural facilities such as state of the art building, laboratories, library facilities, student hostel for boys and girls, playground etc.

ABOUT THE SEMINAR

Medicinal herbs have been discovered and used in traditional medical practices since prehistoric times. Indian traditional medical systems like Ayurveda, Siddha and Unani which utilize medicinal plants have a very rich history of their effectiveness. In 2017, the potential global market for botanical extracts and medicines was estimated at several hundred billion dollars. In 21st century, tremendous advances in healthcare sector coexist with inequities in accessibility, availability and affordability of the healthcare facilities in many parts of the world. Variety, flexibility, easy availability, religious/social

acceptance, relative low side effect and cost became the key factor for the growth of traditional medicine. Medicinal plants have a promising future in the field of research because there are about half million plants around the world, and most of their medicinal activities are not yet investigated. So our seminar aims to disseminate the information regarding latest approaches in drug discovery from herbal sources and to emphasize on medicinal herbs as an indigenous wealth of India.

OBJECTIVES OF THE SEMINAR

- To high light the role of Pharmacognosy in Drug discovery and recent advances in Formulation of Natural products
- Provide a forum where eminent speakers from industry and academia can interact and dessiminate knowledge with students, faculty and researchers

PARTICIPANT'S ELIGIBILITY

The students of B. Pharm, M. Pharm, Pharm.D, Pharm. D (PB), B.Sc, M.Sc and Researchers can participate.

PROPOSED SPEAKERS

- Dr. Katragadda Suresh Babu, Principal Scientist, Centre for Natural Products and Traditional Knowledge, CSIR-Indian Institue of Chemical Technology, Hyderabad.
- Dr. D. Padmaja, M.D(Ay)(Ph.D), Department of Ayush, Dr.N.R.S.Govt. Ayurvediccollege, M.G Road,Vijayawada.

TECHNICAL SESSIONS

Technical sessions include professional lectures with eminent speakers from Academia and Research Labs who will address the audience during the seminar.

POSTER PRESENTATION

The research scholars and students can submit review and research papers for e-poster /poster session. Best papers will be awarded prizes.
