Email : gachpatna_1926@rediffmail.com

Respected Sir/ Madam,

Government Ayurvedic College, kadamkuan, Patna is one of the ancient and well renowned College of Ayurveda in India. It was established on 26th of July 1926 with Herculean efforts by Hon'ble Sir Ganesh Dutta Singh, LSG Minister of the Govt. of Bihar. Presently it runs 100 seats in 14 undergraduate departments and 38 seats in eight post-graduate departments.

In the present era, market of Ayurvedic drugs has become global. Health being of utmost importance for the mankind, market of herbomineral drugs along with herbal drugs has grown tremendously. These drugs are manufactured at different places and sold all over. Therefore, Standardization of herbomineral drugs has become extremely essential to make sure the availability of a uniform drug, with every safety concerns and to assess the Quality, Purity, Efficacy of the drug. In this regard, Dept. of Rasa Shastra & Bhaishajya Kalpana, Govt. Ayurvedic College, Patna is going to organize a

"NATIONAL SEMINAR ON RECENT APPROACHES IN HERBOMINERAL DRUG STANDARDIZATION".

We will feel privileged and overwhelmed by yours' auspicious presence to grace this grand conglomeration of latest research discussion across the dais.

ABOUT THE SEMINAR

Herbomineral medicines dealt in '**RASA SHASTRA**' are an important component of Ayurvedic therapeutics. Minerals and metals require intensive and elaborate processing to make it compatible to human body. In the last century numerous data have been generated about the safety, quality and efficacy of the herbomineral drugs, still standardization is a big issue when mineral and metal preparations are concern. This seminar is an attempt to discuss the leading issue of herbomineral drug standardization on a national level platform with learned scholars from different institutions and drug industries.

THEME OF SEMINAR

1. Recent researches in Ayurvedic drug manufacturing.
2. Researches on efficacy of herbomineral formulations.
3. Recent knowledge on safety of herbomineral formulations.
4. Standardization of herbomineral formulations.
5. Regulatory provisions for Ayurvedic formulations.
6. Nano Technology and Ayurvedic bhasmas.

ABOUT PATNA

Situated on the south bank of river Ganges, that has witnessed dawn of several civilizations, **Patna**-The capital city of Bihar has a history that spans three millennia.

Beckoning upon the earliest democracy in Vaishali, Patna also has been graced by Lord Buddha, Lord Mahavira and by birth of tenth guru of the Sikhs, Guru Govind Singh at Takhat Sri Patna Sahib.

Close to the city of Patna is the ruins of the famous Nalanda University where formal Education & teaching of Ayurveda especially Rasa Shastra started first, which attracted ancient pupils and scholars from all over the world. Also a centre of Buddhist learning was developed at Vikramshila.

Jivaka, 5 BC, personal physician of the Buddha and the Indian king Bimbisara was native of Rajgriha, Bihar.

Siddha Nagarjuna, 5 AD, pioneer of science of Rasa Shastra, medicinal use of mercury, metal and mineral was head of Nalanda University. He was writer of many treatises on rasayana, alchemy and was the great Buddhist philosopher.

Aryabhatta author of Aryabhattachya, Chanakya author of Arthashastra, Neetishastra hails from this city.

Renowned Rasa Shastris from Patna- Pt. Hajarilal Shukla, Dr. Siddhinandan Mishra.
