## WORLD AYUSH EXPO & AROGYA 2019

## सूत्रबोध

## WORKSHOP ON TEACHING UPDATES IN AYURVEDA

10<sup>th</sup> FEBRUARY 2019

**VENUE :**

CIDCO Exhibition Centre, Vashi, Navi Mumbai

**ORGANIZED BY :**

Ministry of AYUSH – Government of India & ARH  
Co-organizer – AIIA ,CCIM,MUHS

## Introduction

Innovation in teaching and learning methods aimed at creativity and stimulate thought process are essential for development of science.

Faculty can accomplish these methods by creating an optimal teaching-learning environment by utilizing a variety of teaching methods and styles. The methods described by Ancient Aacharya are proved useful even in today's era. Upcoming Ayush Expo 2019 looks ahead to expand the teacher's capabilities of teaching and learning methods in Ayurveda curriculum.

“Sutrabodh” workshop is scheduled to impart best teaching methodology to teachers to enhance their professional skills and competence of Ayurveda. It also look forward to develop various level of teaching methods for undergraduate, post graduate and post doctoral students
