22nd Sept 2019

VENUE:
CONSTITUTION CLUB OF INDIA,
RAFI MARG, NEW DELHI-110001

Preamble

AIAS (PG) Association is committed to the development of Ayurvedic system by propagating post graduate research in this services association is organising National conference on *Insights in to the management of Chronic Liver Disease through Ayurveda* on 22nd August 2019 at constitutional club, New Delhi.

As a life style disorder CLD are on rise in middle aged persons not sparing young adults. CLD is a broader diagnosis which is akin to many conditions based different stages of CLD like Kamala, Kumbhakamala, Jalodara, Pleehodara, Yakritodara etc.

Due to limited resources of management of CLD in conventional system medicine is seeking attention towards Ayurveda system of medicine. The significance of management of CLD through Ayurveda over conventional medicine is well evident in present practice of Ayurveda, which is confined to the primary clinic level. Effort has been made to explore and bring the successful case stories and management approach to the medical fraternity by providing platform to the budding Ayurveda physicians. It is expected that the knowledge of management of CLD in Ayurveda will be brought to the considerable platform which will boost the contribution of Ayurveda in such chronic conditions. .
