### Few Words About the Conference

On behalf of the entire family of APEX INSTITUTE OF AYURVEDIC MEDICINE AND HOSPITAL, SAMASPUR, CHUNAR ROAD, MIRZAPUR (UP), we cordially invite you all to attend the "NATIONAL CONFERENCE ON CURRENT ISSUES OF GERIATRIC CARE IN AYURVEDA organized at AIAMH Mirzapur, on 27th April 2022.

Vindhya Valley Mirzapur, the land of spiritual prosperity and opportunity, is one of the renowned religious centers around the whole country. The venue of the Conference, the Auditorium of Apex Institute, is located in the valley between the holly Ganges and the holly Vindhya range in the outskirts of Chunar city. First time in the history of Ayurveda, we happily announce the National Conference-2022 all India Ayurvedians meet which would prove the perfect place to host such an event of importance.

We encourage you all to attend this academically enriching conference and experience our unique heritage, culture, and hospitality, hoping Your journey to Chunar, Mirzapur will be more than worthwhile, both professionally and personally. Please visit us for the conference and allow us to host you.

During the conference, eminent speakers will discuss current issues and recent advances in the field and try to solve the queries regarding the theme of the conference. Get ready to experience a blend of Mirzapur hospitality and edutainment at this knowledge congregation National Conference 2022.

The theme of the conference is the world population of elderly which is increasing day by day, and by the year 2050, the old persons more than 65 years will be 1/5 of the global population; even in India the number of older people, aged 65, is increasing. Age-related natural disorders like respiratory problems, heart diseases, cancers, stroke, chronic inflammations, and degenerative conditions such as arthritis, osteoporosis, Alzheimer's disease, depression, psychiatric disorders, Parkinson's disease, urinary and respiratory problems, etc. are the matters of concern of this age.

Scientific papers read in all academic and research subjects in the conference would be published. We have an eminent panel to enhance the quality of the paper publication. We cordially anticipate your wholehearted participation in the conference to go a long way in promoting logical, rational, and evidence-based clinical practice.

We are grateful to the whole team at the National Conference on Geriatric Care 2022. Yours in scientific and academic endeavour
