## NATIONAL LEVEL QUIZ COMPETITION

## Central Ayurveda Research Institute Bengaluru

Peripheral Institutes of Central Council for Research in Ayurvedic Sciences, Ministry of AYUSH Govt. of India, New Delhi. It was established as Regional Research Centre in 1971 and subsequently known as Regional Research Institute, National Dietetics Research Institute and Regional Ayurveda Research Institute for Metabolic Disorders before its upgradation as CARI in 2020.

The Institute consists of three divisions (1) Clinical Research unit (CRU), (2) Drug standardization Research unit (DSRU) and (3) Survey of Medicinal Plants unit (SMPU). In recognition of its contribution in patient care and research, the Ministry of AYUSH, Govt. of India has awarded "Centre of excellence (CoE) for Madhumeha (Diabetes mellitus)". It is one of the Peripheral Pharmacovigilance centres for monitoring and reporting Adverse Drug reactions and misleading advertisements related to Ayurveda.

### Vision & mission

To develop scientific evidence in Ayurvedic principles, drugs and therapies by integrating ancient wisdom with modern technology and to bring Ayurveda to the people through innovations related to diagnostics, preventive, promotive as well as treatment methods and also to introduce scientific methods for sustained availability of quality natural resources to translate them into products and processes in synergy with concerned organizations.

### Mandate

Clinical Research focusing on Metabolic disorders and Dietetics, Health care services through out-patient department, outreach activities such as tribal health care research, scheduled caste sub plan, medici-ethno-botanical survey, drug standardization and any other assignment of national importance related to Research & Development in Ayurveda.

## SDM College of Ayurveda & Hospital, Udupi

Sri Dharmasthala Manjunatheshwara College of Ayurveda & Hospital, Udupi is involved in the noble activity of propagation of Ayurveda since 1958. Since more than 60 years periodically new curricular and cocurricular programmes, research activities are inculcated to emerge out with international fame. Being recognized as model institution and centre of excellence by AYUSH, Department of Health, Government of India we feel proud to announce the conducting of national level quiz in association with CARI, Bengaluru.
