ABOUT THE UNIVERSITY

Charutar Vidya Mandal (CVM), established in 1945 under the visionary inspiration of Sardar Vallabhbhai Patel, has a distinguished legacy of transforming rural Gujarat through education and social development. Its founding vision led to the creation of Vallabh Vidyanagar, conceived as one of independent India's earliest planned independent educational townships, bringing higher education within the reach of the rural community. Today, this rich legacy has evolved into **The Charutar Vidya Mandal (CVM) University**, a multidisciplinary university committed to excellence in education, research, innovation and entrepreneurship. In recent years, CVM has expanded its academic and research ecosystem through diverse UG, PG and PhD programmes, advanced laboratories, entrepreneurship and start-up initiatives, industry collaborations, internationalisation and technology-driven learning.

ABOUT THE INSTITUTE

G. J. Patel Institute of Ayurvedic Studies & Research (GJPIASR), New Vallabh Vidyanagar, Gujarat, under **the Charutar Vidya Mandal (CVM) University**, is a distinguished centre for Ayurvedic education, clinical excellence, research, and innovation. The institute offers Undergraduate (BAMS), Postgraduate (MD in Kayachikitsa & Panchakarma, MS in Shalya Tantra), and Ph.D. programmes, with 100 BAMS seats, 18 postgraduate seats across various specialities. GJPIASR is committed to integrating the timeless wisdom of Ayurveda with contemporary scientific approaches, fostering skilled professionals, impactful research, and global academic collaborations, while advancing Ayurveda through excellence in education, clinical practice, and evidence-based innovation.

ABOUT THE PROGRAMME

PANCHAKAUSHALAM – 2027, an International Conference & Integrative Workshop, is a three-day academic programme aimed at advancing knowledge, skills and contemporary clinical perspectives in Panchakarma and allied Ayurvedic therapeutic practices. The programme brings together eminent experts, academicians, clinicians, researchers, practitioners and students for meaningful knowledge exchange and professional interaction. The Integrative Workshop focuses on Doshavastha-based selection of Panchakarma, Marma Chikitsa in musculoskeletal pathology, and pain and emergency management through Viddha Karma, while the International Conference explores Sattvavajaya and Daivavyapashraya Chikitsa, emergency management through Panchakarma therapies, Neo-Panchakarma, and Panchakarma in Nephrology, along with scientific paper and poster presentations. Through the integration of classical Ayurvedic wisdom with contemporary clinical approaches, the programme seeks to promote quality education, innovation, holistic healthcare and professional collaboration, contributing particularly to **SDG 3** – Good Health and Well-being, **SDG 4** – Quality Education, **SDG 9** – Industry, Innovation and Infrastructure, and **SDG 17** – Partnerships for the Goals.
